Hello Everyone,

First I want to let you all know that Tatnuck has been bought by Westborough Books, Inc. Beginning today please email Katherine Tweedie with the Name of the Book, Author and ISBN # if available. She will email you back with the prices at which point you need to enter your order into the Purchasing system and forward the email from Kate to Gerald Kurtis and Judy Ahern. Do not enter the order into purchasing until you have received a response from Kate at Tatnuck.
